

MAPPING IMPACT.

WASHINGTON STATE

We work alongside immigrant communities to **document how enforcement affects daily life** — and transform those experiences into maps, data, and advocacy.

AREAS OF IMPACT WE TRACK

Work

School

Healthcare

Housing

Daily Life

Your voice shapes our advocacy.

Every confidential report shared on this platform helps NWIRP understand real community impacts — and build a stronger case for justice across Washington State.

- Report an experience confidentially
- Explore impact maps & data
- Read stories from across Washington
- Access legal resources & support
